SWEET SACRIFICE

It's true, we're all a little insane
but its so clear
now that I'm unchained

Fear is only in our minds
taking over all the time
fear is only in our minds
but its taking over all the time

You poor sweet innocent thing
dry your eyes and testify
you know you live to break me- don't deny
sweet sacrifice

One day I'm gonna forget your name
and one sweet day,
you're gonna drown in my lost pain

Fear is only in our minds
taking over all the time
fear is only in our minds
but its taking over all the time

You poor sweet innocent thing
dry your eyes and testify
and oh you love to hate me don't you, honey?
I'm your sacrifice.

[I dream in darkness
I sleep to die
erase the silence
erase my life
our burning ashes
blacken the day
a world of nothingness
blow me away]

Do you wonder why you hate?
are you still too weak to survive your mistakes?

You poor sweet innocent thing
dry your eyes and testify
you know you live to break me- don't deny
sweet sacrifice

CALL ME WHEN YOU'RE SOBER

Don't cry to me
if you loved me
you would be here with me
you want me
come find me
make up your mind

Should I let you fall
lose it all
So maybe you can remember yourself
can't keep believing, we're only
deceiving ourselves and I'm sick of the lie
and you're too late

Don't cry to me
if you loved me
you would be here with me
you want me
come find me
make up your mind

Must be exhausting to lose your own game
selfishly hated, no wonder you're jaded-
you can't play the victim this time
and you're too late

Don't cry to me
if you loved me
you would be here with me
you want me
come find me
make up your mind

You never call me when you're sober
you only want it cause it's over
How could I have burned paradise?
how could I- you were never mine!

So don't cry to me
if you loved me
you would be here with me
don't lie to me
just get your things
I've made up your mind.

Couldn't take the blame
sick with shame

LITHIUM

Lithium- don't want to lock me up inside
lithium- don't want to forget
how it feels without
lithium- I want to stay in love
with my sorrow
oh but God I want to let it go

Come to bed, don't make me sleep alone
couldn't hide the emptiness you let it show
never wanted it to be so cold
just didn't drink enough to say you love me

I can't hold on to me
wonder what's wrong with me

Lithium- don't want to lock me up inside
lithium- don't want to forget
how it feels without
lithium- I want to stay in love with my sorrow

Don't want to let it lay me down this time
drown my will to fly
here in the darkness I know myself
can't break free until I let it go
let me go

Darling, I forgive you after all
anything is better than to be alone
and in the end I guess I had to fall
always find my place among the ashes

I can't hold on to me
wonder what's wrong with me

Lithium- don't want to lock me up inside
lithium- don't want to forget
how it feels without
lithium- I want to stay in love with my sorrow
oh but God I want to let it go

Verse 2:

Halo, blinding wall between us,
Melt away and leave us alone again.
The humming, haunted somewhere out there.

There's room inside for two, and I'm not grieving for you.

LIKE YOU

Stay low
soft, dark, and dreamless
far beneath my nightmares
and loneliness
I hate me
for breathing without you
I don't want to feel
anymore for you
Grieving for you
I'm not grieving for you
nothing real love can't undo
and though I may have lost my way
all paths lead straight to you
I long to be like you
lie cold in the ground like you
Halo
blinding wall between us
melt away and leave us alone again
humming, haunted somewhere out there
I believe our love can
see us through in death

I long to be like you
lie cold in the ground like you
there's room inside for two
and I'm not grieving for you
I'm coming for you
You're not alone
no matter what they told you
you're not alone
I'll be right beside you forevermore
I long to be like you
lie cold in the ground like you
there's room inside for two
and I'm not grieving for you
and as we lay in silent bliss
I know you remember me
I long to be like you
lie cold in the ground like you
there's room inside for two
and I'm not grieving for you
I'm coming for you

LOSE CONTROL

You don't remember my name
I don't really care
can we play the game your way?
can I really lose control?

Just once in my life
I think it'd be nice
just to lose control- just once
with all the pretty flowers in the dust

Mary had a lamb
his eyes black as coals
if we play very quiet, my lamb
Mary never has to know

Just once in my life
I think it'd be nice
just to lose control- just once

if I cut you down to a thing I can use
I fear there will be nothing good left of you

THE ONLY ONE

When they all come crashing down- midflight
you know you're not the only one
when they're so alone
they find a back door out of life
you know you're not the only one

We're all grieving
lost and bleeding

All our lives
we've been waiting
for someone to call our leader
all your lies
I'm not believing
heaven shine a light down on me

So afraid to open your eyes- hypnotized
you know you're not the only one
never understood this life
and you're right I don't deserve
but you know I'm not the only one

We're all grieving
lost and bleeding

All our lives
we've been waiting
for someone to call our leader
all your lies
I'm not believing

heaven shine a light down on me

Don't look down

don't look into the eyes
of the world beneath you
don't look down, you'll fall down,
you'll become their sacrifice
right or wrong

can't hold onto the fear
that I'm lost without you
if I can't feel, I'm not mine,
I'm not real

All our lives
we've been waiting
for someone to call our leader
all your lies
I'm not believing

heaven shine a light down on me

I can't see your star
I can't see your star
though I patiently waited, bedside,
for the death of today
I can't see your star
the mechanical lights of Lisbon
frightened it away

And I'm alone now
me and all I stood for
we're wandering now
all in parts in pieces, swim lonely
find your own way out

I can't see your star
I can't see your star
how can the darkness feel so wrong?

And I'm alone now

we're wandering now
all in parts in pieces, swim lonely
find your own way out

So far away
its growing colder without your love
why can't you feel me calling your name?
can't break the silence
its breaking me

All my fears turn to rage

And I'm alone now
me and all I stood for
we're wandering now
all in parts and pieces, swim lonely

All that I'm living for
all that I'm dying for
all that I can't ignore alone at night
I can feel the night beginning
separate me from the living
understanding me
after all I've seen
piecing every thought together
find the words to make me better
if I only knew how to pull myself apart

All that I'm living for
all that I'm dying for
all that I can't ignore alone at night
all that I'm wanted for
although I wanted more
lock the last open door-
my ghosts are gaining on me
I believe that dreams are sacred
take my darkest fears and play them
like a lullaby
like a reason why
like a play of my obsessions
make me understand the lesson
so I'll find myself
so I won't be lost again

All that I'm living for
all that I'm dying for
all that I can't ignore alone at night
all that I'm wanted for
although I wanted more
lock the last open door-
my ghosts are gaining on me
Guess I thought I'd have to change the world
to make you see me
to be the one
I could have run forever
but how far would I have come
without mourning your love?

All that I'm living for
all that I'm dying for
all that I can't ignore alone at night
all that I'm wanted for
although I wanted more

GOOD ENOUGH

Under your spell again
I can't say no to you
crave my heart and its bleeding in your hand
I can't say no to you
Shouldn't have let you torture me so sweetly
now I can't let go of this dream
I can't breathe but I feel
Good enough
I feel good enough for you
Drink up sweet decadence
I can't say no to you
and I've completely lost myself
and I don't mind
I can't say no to you
Shouldn't have let you
conquer me completely
now I can't let go of this dream
can't believe that I feel
Good enough
I feel good enough
its been such a long time coming,
but I feel good
And I'm still waiting for the rain to fall
pour real life down on me
cause I can't hold on to anything this good
enough
am I good enough
for you to love me too?

So take care what you ask of me
cause I can't say no
